

2022 Performance Pays

DELO[®] XLC & DELO ELC ADVANCED COOLANT REBATE PROMOTION

You can earn a rebate of \$1.00 USD per gallon/\$.33 CAD per litre when you purchase the required minimum volume of Delo XLC and/or Delo ELC Advanced products on a single invoice. See below for details.

Promotion Period: March 15 - August 31, 2022

Claim Deadline: September 30, 2022

Who Can Participate

Customers of current Chevron Lubrication Marketers in the US and Canada can earn a rebate.

How the Rebate Works

You can earn a rebate of \$1.00 per gallon/\$.33 per litre when you purchase a minimum of 110 gallons/416 litres of qualifying Delo XLC and/or Delo ELC Advanced products on a single invoice during the Promotion Period. A qualifying volume purchase of any combination of package styles or combination of these two products will be eligible for the rebate. See qualifying product codes.

File for your rebate online at coolant.delopromos.com

Once your claim is validated, you will be sent a rebate check approximately 4 weeks after submission of qualifying claim. US claims paid in USD/Canadian claims paid in CAD. Limit one claim per customer. Maximum rebate per customer for the duration of the promotion period: \$500.00 USD/\$630.00 CAD.

If you have any questions about this offer, please consult your Chevron Lubrication Marketer Representative.

If you have questions about your rebate claim, please go to: coolant.delopromos.com

QUALIFYING PRODUCT DESCRIPTION	PRODUCT CODE	REBATE PER GALLON/ REBATE PER LITRE
