

Bar & Chain Oils

Chain Saw Oils

Description

Nemco Bar and Chain Oils are designed to provide optimum lubrication of the chain and guide bar of chain saws. A tackifier is included in the formulation to allow these chain oils to resist “throw off” at the nose of the bar and to help the oil maintain a lubricant film between the bar and chain. These oils provide excellent anti-wear characteristics to extend chain and bar life.

Nemco Bar & Chain Oil is available in All Season, Light and Heavy viscosity grades to provide for seasonal temperature variations from -35°C to +40°C. All Season Chain Oil is designed for year round use. Light Chain Oil is designed for winter use and Heavy Chain Oil is designed for summer use.

Use and Storage

To get the best performance from your equipment ensure products meet or exceed manufacturing requirements. Lubricants typically have a shelf life of 5 years under ideal storage conditions. Keep drums and totes in good condition and away from moisture. Keep

bungs securely in place; as bungs breath moisture can seep in over time. Where possible, avoid storage in areas where the temperature fluctuates between extreme highs and lows.

Health, Safety, & Environment

GHS compliant Safety Data Sheets are available at nemco.ca under Safety Data Sheets. For SDS in French, please contact info@nemco.ca. These products are not WHMIS 2015 classified. The SDS contains valuable information critical to the safe handling and proper use of the product. Always take used oil to an authorized collection point. Do not discharge into drains, soil, or water.

Quality

Nemco Resources Ltd works with respected industry suppliers for lubricant additives and base oils. Nemco is a member of ILMA and the manufacturing facility in Winnipeg, Manitoba is proud to be certified to ISO9001. For questions regarding quality, please contact your Technical Sales Representative.

Typical Characteristics - Bar & Chain Oils

Properties	All Season	Light	Heavy
SAE Grade (Approximate)	10W-30	20	40
Colour	Red	Red	Red
Viscosity at 100°C	7.78	6.73	12.95
Pour Point °C (°F)	-33 (-27)	-35 (-31)	-16 (+3)

These characteristics are typical of current production, variations in these characteristics may occur.

Availability and product codes

Pack size	12x1L case	4x4L case	20L pail	205L drum
All Season Bar & Chain	SLORZ0011	SLORZ0020	SLORZ0035	SLORZ0066
Light Bar & Chain	SLORZ0028	SLORZ0021	SLORZ0036	SLORZ0067
Heavy Bar & Chain	SLORZ0029	SLORZ0023	SLORZ0038	SLORZ0069
