

RV & Marine Enviro Winterizer

Recreational Vehicle and Plumbing Antifreeze

Description

Nemco RV & Marine Enviro Winterizer is a premium, non-toxic, environmentally friendly antifreeze, with a formula based on propylene glycol (PG). RV & Marine Winterizer is suitable for winterizing all types of potable (drinking) water plumbing systems. This product is safe to use in systems containing brass, metal, copper and plastic pipes. It is formulated to be used full strength to winterize boats, recreational vehicles, trailers, vacation homes, swimming pools, and a variety of other winter storage applications.

Nemco RV & Marine Enviro Winterizer is ready-to-use; for maximum freeze and burst protection do not dilute. Drain all water from the system before adding Winterizer and ensure the product has worked its way through the system for adequate protection.

Advantages

- Ready-to-Use, do NOT dilute
- Safe, non-toxic formula
- Suitable for metal and plastic systems
- Burst protection down to -50°C

Applications

- Recreational vehicles
- Boats
- Trailers
- Cabin/cottage

Typical Characteristics - RV & Marine Enviro Winterizer

Use and Storage

Always read and follow your equipment manufacturer's winterizing instructions. This product has a typical shelf life of 2 to 3 years under ideal storage conditions. Keep packages closed while not in use, store in a cool, dry area and away from open heat sources, sparking tools and equipment. Keep drum and tote bungs securely in place; as bungs breath, moisture can seep in over time reducing the product's effectiveness.

Health, Safety, & Environment

GHS compliant Safety Data Sheets are available at nemco.ca under the Safety Data Sheets. For SDS in French, please contact info@nemco.ca. This material is WHMIS 2015 classified. The SDS contains valuable information critical to the safe handling and proper use of the product. Always take used glycol to an authorized collection point. Avoid discharge into drains, soil, or water. As with any chemical, keep out of reach of children and animals.

Quality

Nemco works with respected industry suppliers. Nemco Resources Limited manufacturing facility in Winnipeg, Manitoba is proud to be certified to ISO9001. For questions regarding quality, please contact your local sales representative.
